

Bonny Track Undercarriage

Track Undercarriage, Manufacturer, Supplier, Factory, Exporter in china

Our subsidiary company, Bonny tracked undercarriage factory is specialized in the research and development of rubber and steel tracked undercarriage. Since the establishment of Bonny, it keeps the whole world in view and blaze steadily new trails. By now, we have developed various tracked undercarriage systems and the load capacity is from 0.5 ton to 20 ton. It has been widely applied in drilling machines (core drill, horizontal directional drilling rig, belt engineering drill, and engineering rig), engineering machines, mining, colliery, agricultural and gardening machines. Meanwhile, we have a lot of experience engineers who can provide you technical support and technical consultancy to meet your needs.
